Meet Admin Antonio!!

Moderator Sarah E : admin

Hi FanWings!

I want to introduce you to a brand new FanWing, Antonio! He'll be taking over posting here from me and he is SO excited to meet you guys! He is just catching up on Wings of Fire—he's read The Dragonet Prophecy and is ready to dive in to the rest of the series.

Can you introduce yourselves and welcome him to the Wings of Fire family?

Sarah

Hi everyone! Yay it's Friday!!!

So I took the quiz… twice. And I think I'm a MudWing/SandWing. Is there a word for that?

I want to know all about your favorite characters and storylines so far – and I don't mind spoilers!

What do you think I really should know about the dragons of Pyrrhia?

I'm stoked to read your responses as I dive into the world of Wings of Fire!

Can't wait to hang out with you on the message board!

Antonio

I am IceWings106, or Ice. I chose my name because I love IceWings and they are life.

Things you need to know about WoF:

-Don't type "WoF" like "WOF". Internet will go crazy.
-Already being in eight, almost nine, books deep into the series, there are crazy spoilers EVERYWHERE! So be warned.
-WINTERWATCHER AND AUKLIFF ARE BEST SHIPS
-Looooots of fanfiction. Lots. Beware of the fluffiness.
-THERE IS LOTS OF DEATH IN THE SERIES. Bring tissues for books Three, Four, Five, Six, Seven- okay, you know what, just bring tissues everywhere if you're reading them. XD They're all tissue-worthy. And the latest book, Escaping Peril, is hilariously terrifying.
-We FanWings are very random and will explode with craziness at any given moment. You have been warned.

Hi! My name is Samurai! (Please note that I don't answer to my username; I only answer to the names Samurai or Scar. Thanks!) I've been a Wings of Fire fan for about three years, and I've been on the message board since it (the message board) was created (but I've only started posting regularly a few months ago). Wings of Fire was what inspired me to start writing. I have a lot of books I'm working on, including a few sci-fi series and several fantasy adventures. I'm also writing a sort of fanfiction where I'm the main character; the story is about my imaginary self and uses characters from my fandoms, including Young Samurai, Naruto, and Kung Fu Panda.

As my fandoms might suggest, I'm a martial artist. My style is taekwondo, which I talk about nonstop. Currently I'm a gold belt (also known as yellow belt, but at my school we call it gold because we can), which is the third belt rank. I will be graduating to the next rank, gold stripe belt (gold belt with a black stripe), in a few weeks.

Welcome good sir!

WoF is well known for its forshadowing, so if you enjoy the series consider trying to predict events in the upcoming books, or fill in blanks in the lore of the series.

Hello, Antonio!!

How are you liking the series?

I won't spoil things for you, even though you said it's ok, but I don't think there's anything that's a mix of mud and sandwings in any way in the series.

Hi Antonio! I'm Pen, your average angst author who absolutely cannot write anything happy. Ever. Oops.

(My fluff skills are questionable, to say the least)

we're all very sensitive about ships (aka never bring up Turteril and Cleril in the same thread. same goes for Starspeaker/Sunnyflight, Moonbli/Winterwatcher/Moonstalker/etc geez Moon has a lotta ships.) but most everyone loves Aukliff and it's pretty adorable so...
